Subject: Conference Call to Discuss CFAC Phase II SAP

Mike,

Gunnar and I spoke this morning regarding the path forward with the comments on the Phase II SAP. CFAC/Roux is working through responding to the comments that you provided last week. We plan to submit our responses for your review by mid next week. I understand we should also expect some more comments from the risk assessors shortly.

Gunnar and I discussed that we should set up a conference call with the team to make sure we are all on the same page.

How does Thursday afternoon (4/19) work for everybody?
